## **United Methodist Men Beyond the Sermon—Sept. 11**

The UMM will start off their Fall program with a presentation by Bob Nelson entitled *Beyond the Sermon*. It will feature a Power Point pictorial summary of projects and approximate costs of major repairs and improvements undertaken by FUMCOR during the past couple of decades. It is fascinating to see what it takes to keep an aging church facility functional.

Other FUMCOR events are also sprinkled in the presentation. Bob's hobbies include amateur photography, as well as working with the computer, which will be combined with his memories (and perhaps yours, too) of working on several of the projects.

We will also celebrate the return to active duty of our able leader Bill McInRoe. Bill had a knee operation a couple of months ago and should be back on his feet soon.

The program breakfast starts at 7:00 AM in Fellowship Hall on Sunday morning, September 11th, and it costs \$6.00. All men and their spouses, as well as other guests, are most welcome to attend!

## **Meals on Wheels Fundraiser— Sept. 14**

## **Upcoming Youth Events**

Faith & Fellowship is putting on a Friendship Carnival on Sept. 18. Come join us and have some fun!

On Sunday, Sept. 25, there will be a Back To School Swim Party at the home of Marcia Bales at 4:00 PM. It should be a lot of fun and we hope to see you there! Please watch the bulletin for more details.

## A LITTLE CHRISTIAN HUMOR

*submitted by Peggy Ramsay*

Jesus and Satan were having a going argument about who was better on the computer. They had been going at it for days, and God was tired of hearing all the bickering. Finally, fed up, God said "THAT'S IT! I've had enough, I am going to set up a test that will run for two hours, and from these results I will judge who does the better job."

So Satan and Jesus sat down at keyboards and typed away. They MOUSED, they FAXED, they E-MAILED, they E-MAILED WITH ATTACHMENTS, they DOWN-LOADED, they did SPREADSHEETS, they WROTE REPORTS, they CREATED LABELS AND CARDS, they CREATED CHARTS AND GRAPHS, they did some GENEALOGY REPORTS, they did EVERY TECHNICAL JOB God could think of.

Jesus worked with heavenly efficiency and Satan was "faster than h---".

Then 10 minutes before their time was up, lightening suddenly flashed across the sky, thunder rolled, rain poured and, of course, the power went off.

Satan stared at his blank screen and screamed every curse word known to the underworld. Jesus just sighed.

Finally the electricity came back and each of them restarted their computers. Satan started searching frantically, screaming "It's gone—it's all gone! I lost everything when the power went."

Meanwhile, Jesus quietly started printing out his files from the past two hours of work.

Satan observed this and became irate. "Wait", he screamed. "That's not fair. He cheated! How come he has all his work and I don't have any?"

God just shrugged and said,

**JESUS SAVES**

Thy kingdom come,
